Linka Neumann is known for her unique and beautiful “wilderness sweater” designs. Now, she’s designed sweaters and jackets for *mini* wilderness knits! In this book, you’ll find patterns from the popular *Wilderness Sweaters* books in baby and kids’ sizes, in addition to many new designs – all in Linka’s unmistakable style: a mix of inspiration from traditional patterns, indigenous cultures, and nature, but with a personal and modern twist.
