Anything can happen when your new best friend is from outer space...

Albert and Rolv forgot to water Aunt Berit's plants while she's on vacation, and now all the plants have withered! Luckily, the space bunny Milo has a solution: He brought something from outer space that can make wilted flowers bloom again. There's just one problem: The plants grow wildly and form an army to take revenge on all humans who don't water their plants. Will Albert, Rolv, and Milo be able to stop the potted plants before it's too late? Or will the plants turn the entire Earth into one giant flowerpot—a potted plant planet?

Milo's Universe is an illustrated book series for younger readers, perfect for anyone eager to read on their own. *Revenge of the Potted Plants* is the second book in the series.
