**Dave is nine years old and gets into trouble. A lot of trouble. Even when he tries his best, things have a habit of turning into complete disasters.**

Luckily, he has his best friend Alva, who is always there when things go wrong. Together, they experience the strangest situations – and somehow, things usually work out in the end.

In *Dave's Disaster Diaries*, everything goes wrong when Dave's big sister gets a cute little hamster for her birthday. What starts as an innocent gift quickly turns into total chaos. Once again, Dave finds himself right in the middle of a catastrophe.

*The Disaster Diaries* is a humorous, fast-paced illustrated series for readers aged 6+, full of mishaps, friendship and just the right amount of action. Written by award-winning author Anders Totland and richly illustrated by Bård Sletvold Torkildsen, the series is perfect for newly independent readers who enjoy funny stories about everyday life spiralling wildly out of control.

Four titles in the series will be published at the same time in August this year, with *Dave's Disaster Diaries* as the first book. The titles for the next books are: *The Ski Trip Disaster*, *Escape from the Worst Family Ever*, *Dave's Truth Trouble*.
