Bystrikk (The first book in this series) is sold to The Netherlands/Belgium (Manteau) and to Turbine (Denmark).

The success continues. After a fantastic first year on the bestseller list Ingunn Myklebust has just published her second book; More #Urban Knitting, with new patterns and with a newly developed yarn collection in alpaca wool. Ingunn Myklebust is one of Norway's most popular knitters and has more than 70,000 followers on Instagram.

Ingunn's patterns are easy to knit, she combines an urban style with tradition and hopes her design- and color combinations will inspire you to create your own variations.

In this book you will find 48 new designs, among them designs for women and men, children - and even garments for your four-legged friend. Check out the urban skirt Barcode, the fantastic Janneke-sweater and the cool arctic sweater for men.

You can find the patterns, and buy the yarn in Ingunn's web shop; "www.knitting-inna.com":<https://knitting-inna.com>

Ingunn Myklebust

Ingunn Myklebust is one of Norway's bestselling knitting authors. From a small start on Instagram, the interest has been growing rapidly, both in Norway and internationally. She now has over 84,000 followers on Instagram under the handle @knitting_inna, has published six books - all of which went straight to the bestseller lists - started the successful web shop, and developed her own yarn collection in collaboration with the largest Norwegian yarn company, House of Yarn.
