***The Courier* is the first book in *Equal Before the Law*, an exciting new crime series by acclaimed author Ørjan Nordhus Karlsson, creator of the *Jacob Weber* crime novels.**

When Oslo police investigators Henrik and Malin carry out a carefully planned operation to arrest a drug courier, nothing goes according to plan. They soon realise that the case involves far more than a single drug deal—and that its criminal connections reach deep inside the Oslo police force. As the failed operation has dramatic consequences for them both, Henrik and Malin must fight not only to solve the case, but to stay alive.

A fast-paced, action-packed page-turner that keeps the tension high from the first page to the last. The second book will be published in October.

Ørjan N. Karlsson is, if you ask me, one of Scandinavia's best crime writers, because *The Night Travels Alone* will take your breath away. The way I see it, very few writers in Norway keep delivering successful crime novels time and again.
