**Ole Vik is back.
So is his haunted past.**

A truck is being hijacked on a road near Fjellberghavn, and the driver is murdered. At the same time a desperate father turns to the police to get help with his drug addicted daughter. The murder investigation reveals that the hijacking is connected to drug dealing, and that several deaths by overdose in Fjellberghavn in fact have been deliberate killings. At the same time Police Chief Cecilie Hopen suspects information is being leaked from the investigation. Is there a Judas within their own ranks?

Jittering excitement, personal warmth and human relationships are Jørgen Jæger's trademark.

Since his debut in 2003, Jørgen Jæger has established Cecilie Hopen and sheriff Ole Vik as some of the country's most popular crime heroes.
