

Ingunn Myklebust

URBAN KNITTING FOR ALL

After selling more than 90 000 books in Norway over the past three years, Ingunn Myklebust is still making us “yarn” for more. Luckily, the newest book in Myklebust’s bestselling knitting series is finally here.

Ingunn Myklebust is one of Norway’s most popular knit designers. She stands out with her beautiful patterns and colour combinations, and her unique and versatile designs has gained her a huge fan base internationally as well as back home.

The fourth book in the Urban Knitting series gives us 40 new recipes for grown ups and small ones alike. She has incorporated more of her new *Knitting Inna* Colours, and timeless designs that never goes out of style. No matter whether you’re picking up your needles for the first time or are a seasoned knitter, the book is so easy to follow that anyone can do it.

Ingunn Myklebust

Ingunn Myklebust is one of Norway’s bestselling knitting authors. From a small start on Instagram, the interest has been growing rapidly, both in Norway and internationally. Since then, Ingunn has published six books – all of which went straight to the bestseller lists – has started the successful web shop Knitting Inna, and developed her own yarn collection in collaboration with the largest Norwegian yarn company, House of Yarn.
