***Swan Song* is a psychological thriller where a world of wealth and harmony is transformed into nerve-racking horror.**

After an enormous celebration for his 70th birthday, real estate baron Adrian Swan disappears on a hike in the mountains while his friend and colleague is found brutally killed in the same area. Adrian's three grown children are all left in despair and disbelief. The youngest son – journalist Jonathan – starts digging into the family's history in the hope of finding answers. He soon discovers that his father is not who he appeared to be. Jonathan's world falls apart and the discoveries bring up questions not only about his family, but also his own identity. As he gets closer to an answer, it gets even more dangerous for the people he loves the most.

Nikolaj Frobenius' novel about the economic upper class might just be this year's best Norwegian psychological thriller.

Aftenposten

With *Swan Song*, Nikolaj Frobenius asks many of the important questions. He doesn't give us answers, but he makes us reflect.

Nettavisen

It literally starts explosively before Frobenius slows down the pace and lets reflections on identity, the nature of vengeance, and consequences carry his new and well-written psychological thriller.

Bok365

A highly entertaining and exciting tale of glittering family facades that crack open and show a bottom line that is not entirely solid.

Dagsavisen

Nikolaj Frobenius

Nikolaj Frobenius (b. 1965) is a highly merited novelist and screenwriter. He has been nominated multiple times for the Brage Prize and has won international and national honors and awards. His work has been translated into 20 languages.
